

**PENNSYLVANIA DEPARTMENT OF TRANSPORTATION  
GUIDELINES  
Multimodal Transportation Fund (“MTF”)**

**SECTION I – STATEMENT OF PURPOSE**

The Multimodal Transportation Fund provides grants to ensure that a safe and reliable system of transportation is available to the residents of this commonwealth.

The program is intended to provide financial assistance to municipalities, councils of governments, businesses, economic development organizations, public transportation agencies, rail freight, passenger rail, and ports in order to improve transportation assets that enhance communities, pedestrian safety and transit revitalization. The Department of Transportation (“PennDOT”) will administer activities directly initiated or undertaken by it related to grants for eligible multimodal programs in accordance with these guidelines.

**SECTION II – ELIGIBILITY**

**A. Eligible Applicants**

Eligible Multimodal Transportation Fund projects may begin construction only after the application approval date and must be owned and maintained by an eligible applicant or the applicant has an agreement with the owner for ongoing maintenance of the resulting project asset.

1. **Municipality** – Any county, city, borough, school district, incorporated town, township or home rule municipality.
2. **Councils of Governments** – An entity organized by units of local government under an intergovernmental agreement, which provides cooperative planning, coordination and technical assistance to its member governments on issues of mutual concern that cross jurisdictional lines, and which does not act under the direction and control of any single member government.
3. **Business/Non-Profit** - A corporation, partnership, sole proprietorship, limited liability company, business trust, privately owned airports (must be open to the public), or other commercial entity. The term shall also include not-for-profit entities.
4. **Economic Development Organization** – A nonprofit corporation or association whose purpose is the enhancement of economic conditions in their community.
5. **Public Transportation Agency** – A public transit agency, including but not limited to an airport authority, public airport, port authority, or similar public entity, created through the laws of this commonwealth, charged with the provision of transportation services to the traveling public, that owns and maintains or is authorized to own and maintain a physical plant, including

rolling stock, stations, shelters, hangars, runways, maintenance and support facilities.

6. **Ports or Rail / Freight Entity** – Railroad owner, Railroad lessee/operator, railroad user and port terminal operators.

## **B. Eligible Projects**

1. A project which coordinates local land use with transportation assets to enhance existing communities, including but not limited to: bus stops, park and ride facilities, sidewalk/crosswalk safety improvements, bicycle lanes/route designations, in-fill development by assisting with traffic impact mitigation, development of local highways, and bridges which will benefit state system and local economic development and greenways.
2. A project related to streetscape, lighting, sidewalk enhancement and pedestrian safety, including but not limited to: sidewalk connections, crosswalks, pedestrian and traffic signals, pedestrian signs, and lighting.
3. A project improving connectivity or utilization of existing transportation assets, including but not limited to: improved signage, access roads, developing or supporting an integrated transportation corridor and/or improving the productivity, efficiency and security that support goods movement to and from PA ports, and port upgrades. Also, bicycle/shared lane markings and bicycle parking at transit stops.
4. A project related to transit-oriented development. The term does not refer to a single real estate project, but represents a collection of projects, usually mixed use, at a neighborhood scale that are oriented to a transit node.

**NOTE:** Because of restrictions on available MTF funding, applicants seeking funding for other types of transportation projects not identified above should contact PennDOT to discuss available funding programs.

## **C. Eligible Uses of Funds**

1. Funds may be used for the development, rehabilitation and enhancement of transportation assets to existing communities, streetscape, lighting, sidewalk enhancement, pedestrian safety, connectivity of transportation assets and transit-oriented development to include:
  - a. Acquisition of land and buildings, rights of way and easements
  - b. Construction activities
  - c. Capital equipment
  - d. The clearing and preparation of land
  - e. Demolition of structures
  - f. Environmental site assessment and environmental studies
  - g. Related engineering, design and inspection costs, which shall not exceed 10% of the grant award.

- h. Professional services including services such as land surveying, preparation of bid documents, construction inspection, archaeological surveys, land survey, appraisals etc.
- i. Settlement costs of acquisition projects
- j. Administrative costs of the applicant necessary to administer the grant. Administrative costs may include advertising, legal and audit costs, as well as documented staff expenses. Administrative costs shall not exceed 2% of the grant award.
- k. Project contingencies which shall not exceed 5% of the grant award.

Ineligible costs include, but are not limited to fees for securing other financing, interest on borrowed funds, refinancing of existing debt, lobbying, fines, application preparation fees, reparations and costs incurred prior to the approval of PennDOT.

## **SECTION III – PROGRAM REQUIREMENTS**

### **A. Matching Funds Requirement**

Financial assistance under the Multimodal Transportation Fund shall be matched by local funding in an amount not less than 30% of the amount awarded. Matching funds from a county or a municipality shall only consist of cash contributions provided by one or more counties or municipalities. Liquid fuels tax, Act 13 impact fees, and other statutorily allocated fees/taxes paid directly to a county or municipality may be used as a local match as long as the project is an eligible use of such funds. Matching funds from a council of governments, business, economic development organization, or public transportation agency shall consist only of cash contributions or cash equivalent for land following appraised value of real estate necessary to construct an eligible project. If using the value of real estate as a cash equivalent, an appraisal not older than one year is required and must be provided with the application submission. The project sponsor is responsible for any costs exceeding the award amount.

### **B. Other Requirements**

#### **1. Conflict of Interest Provision**

An officer, director, or employee of an applicant who is a party to or has a private interest in a project shall disclose the nature and extent of the interest to the governing body of the applicant, and may not vote on action of the applicant concerning the project, nor participate in the deliberations of the applicant concerning the project.

#### **2. Nondiscrimination**

No assistance is awarded to an applicant under this program unless the applicant certifies to PennDOT that they shall not discriminate against any employee or against any person seeking employment because of race, color, disability, national origin, age, or gender. In addition, all contracts for work to be paid with program assistance must contain the Commonwealth's official nondiscrimination and American with Disabilities Act clauses.

**3. Project Records**

The applicant must maintain full and accurate records with respect to the project and must ensure adequate control over related parties in the project. PennDOT requires access to such records, as well as the ability to inspect all work, invoices, materials, and other relevant records at reasonable times and places. Upon request of PennDOT, the applicant must furnish all data, reports, contracts, documents, and other information relevant to the project.

**4. Pennsylvania Prevailing Wage Act**

All or a portion of the construction work associated with the project may be subject to the Pennsylvania Prevailing Wage Act, as determined by the Pennsylvania Department of Labor & Industry. It is the responsibility of the funding recipient to ensure that the Pennsylvania Prevailing Wage Act is followed if applicable.

**5. Proof of Notification**

The applicant must provide proof that the county and host municipality or municipalities have been notified about the intended project.

**SECTION IV - GRANTS**

1. Grants are available for projects with a total cost of \$100,000 or more.
2. Grants shall normally not exceed \$3,000,000 for any project. The PennDOT Office of Multimodal Transportation will consider grant requests over \$3,000,000 for projects that will significantly impact PennDOT's goal to leverage private investment and create jobs in the commonwealth.
3. In order to be eligible for a Multimodal Transportation grant, all other funding must be secured and documented for the proposed project by the application deadline.
4. Commencement of work prior to receiving PennDOT approval will result in the project being ineligible for funding consideration.
5. To be eligible for reimbursement, project costs must be incurred within the time frame established by the grant agreement.

**SECTION V – APPLICATION PROCESS**

**A. Application Procedures**

To apply for funding, the applicant must submit an application for the PennDOT Multimodal Transportation Fund online at <https://sportal.dot.pa.gov/Planning/AppReg/Pages/default.aspx>. Required supplemental information outlined in Appendices I and II of these guidelines must be attached electronically to the application as directed on the Attachments tab. For inquiries on the

application process, contact David Bratina in the PennDOT Office of Multimodal Transportation at (717) 705-1230. Once electronically submitted, please print two (2) copies of the application and the required supplemental information (please see Appendices I and II of these guidelines) and forward by mail along with the signature page to:

## **B. Application Evaluation**

All applications for financial assistance will be reviewed by the Pennsylvania Department of Transportation to determine eligibility and competitiveness of the proposed project. Projects will be evaluated using the appropriate criteria from the following list of evaluation criteria for the various types of eligible projects:

1. The economic conditions of the region where the project is located.
2. Consistency with local, regional and statewide planning.
3. Benefits to safety, mobility, economic competitiveness, and transportation system integration.
4. The technical and financial feasibility of the project. Applicants must show that all financial commitments will be in place to achieve the project goals and ensure the project will be fully completed with the use of these funds.
5. The degree of matching funds above the 30% requirement and local financial support.
6. The number and quality of jobs to be created or preserved in Pennsylvania by the project.
7. Regional nature of the project.
8. Project readiness.
9. Energy efficiency.
10. Operational sustainability of the project over the long term.
11. Multimodal nature of the project.

The Department will consult with the chairman and minority chairman of the Transportation Committee of the Senate and the chairman and minority chairman of the Transportation Committee of the House of Representatives.

## **SECTION VI – PROCEDURES FOR ACCESSING FUNDS**

Following approval of an application by PennDOT, a commitment letter will be issued by PennDOT to the applicant. The commitment letter must be signed and returned to PennDOT within 45 days of the date of the commitment letter or the offer may be withdrawn by PennDOT.

Following the acceptance of an offer by the applicant, a grant agreement will be sent by PennDOT to the applicant for execution. PennDOT will reimburse funds to the grantee on a monthly basis based upon invoices.
